And both winners receive recognition at the conference from the top public opinion scholars and professionals of PAPOR!

In addition all entries will be considered for the Poster Session at the Conference, so students will have a chance to present their research.

Papers related to survey, public opinion, or market research are welcomed. Specific topics sought include: substantive findings about public opinion, statistical techniques, methodological issues, new technologies or methodologies, or theoretical issues in the formation, change or measurement of public opinion.

We encourage entries from any fields that employ survey and opinion research, including political science, communication, psychology, sociology, marketing as well as survey methods.

Eligible papers will be authored by graduate or undergraduate students, currently attending colleges and universities in PAPOR's geographic region. Entries should not exceed 30 pages total. The entries will be judged by a panel of survey and public opinion researchers selected from PAPOR's membership. If a winning paper is co-authored, travel fees will be paid for one author, but conference registration will be provided for all authors.
